Emily we have 2 girls that we are having trouble entering:

was there from 1/31/17 to 2/17/17 and who has been here from 12/15/15 to 2/9/17.

It said they are already active a2a participants and they need to choose which one they will be using. I'm not sure what we need to do about that? They both signed an intake form saying they do not get services from another a2a provider.

Also, I tried to add Kimberlee Peppers so she could enter information into the system and she created a password, etc. but it doesn't show that she is authorized. Does that take awhile?

Thanks for all your help with my questions! I really do appreciate it!
